

# **Hundleby Equestrian Centre**

## **If licence is revoked or in case of shut down**

In the case of Hundleby Equestrian Centres riding school licence being revoked, all horse care shall be undertaken as normal and all horses will be schooled and ridden by staff members.

In the case of us shutting down due to unexpected circumstances, the same as above would apply. Our yard staff will continue as normal to care for all the horses and ensure adequate exercise is provided to the horses until we are re-open or can find suitable homes for them.

We would let all customers know as appropriate.
